BOYS' and GIRLS' STATE

Greg Becker, presently our ASB president, represented Monte Vista at Boys' State. Greg was elected City Federalist Party Chairman along with several other elected positions.

"The greatest thing of all," said Greg, "were the guys." We were all friends, all leaders in varying degrees and ways, and all united in the same basic feeling of fellowship. That's what made Boys' State--those 850 great individuals."

Debbie Newak represented Monte Vista at Girls' State which was sponsored by the American Legion Auxiliary. Debbie was elected to several positions including Commissioner of Waterworks! Her job as the commissioner was to turn off all the water faucets at night.

"Each of us returned to our homes with a deeper satisfaction and higher regard for the American form of government," commented Debbie.

I will always remember our fun work, our good laughs, our fun disagreements & especially your funny & cute personality which has picked me up when I was feeling down in the dumps. Vicki!
I can still remember the first day you noticed me and from that day on we were always a pair. Remember the first time we went to school and you were late? Well I was late, etc. etc. etc. and you had to speak to Mrs. Shadelic (sp.) (remember that word) and I had to speak to her, etc. etc. etc. Well I got better and better and you got worse. And worse and worse. Then we had a seat up front, etc. etc. etc. Then we had a seat in the back, etc. etc. etc. Then we had a seat in the middle
